USA FOOTBALL TO HOST FLAG TEAMS FROM FOUR NATIONS AT JUNIOR FLAG INTERNATIONAL CUP AT UNIVERSITY OF MICHIGAN

INDIANAPOLIS – USA Football, the sport's national governing body and a member of the U.S. Olympic & Paralympic Committee, will host the inaugural Junior Flag International Cup this weekend from June 18-21 at the University of Michigan in Ann Arbor with all games played on campus at Mitchell Field.

The international friendly competition will include matches for 15U and 17U boys' and girls' flag football teams from Canada, Japan, Panama, and the United States. USA Football manages and directs each of the four U.S. National Teams taking the field this weekend. The Junior Flag International Cup is sanctioned by the International Federation of American Football (IFAF).

All games will be played at Mitchell Field, located on the University of Michigan campus.

Each game will follow the international 5-on-5 format under IFAF rules. IFAF, an International Olympic Committee provisional member, is comprised of 71 member countries, which has grown by more than 30 nations in the past 15 years.
